### **MISSION STATEMENT**

“The mission of the Environmental Commission of the City of Calabasas is to advise the City Council regarding the stewardship of our environment as it affects the character of the Community and quality of life of our residents. We strive to balance those elements that influence the degree to which our community sustains its social, economic and physical environment while maintaining and enhancing our natural and cultural resources”.

### **A VISION FOR CALABASAS**

An environmentally healthy, harmonious community that places great value on the enhancement and preservation of the natural environment.
