3. Online database available from the www.cityofcalabasas.com **LIBRARY** link/

Infotrac is an online database with many full text articles available *from the Library Home page*
<http://www.cityofcalabasas.com/library.html>

When the library's home page appears, click on **Databases**, then click on the **INFOTRAC** link.

At this time you may be asked for a 'password.' It is the number on the back of your library card.
Enter this number; Click **PROCEED**.

When the INFOTRAC home page appears, select [General Reference Center Gold](#) 1980 – Sept 2008

- Search by **Keyword** or by **Subject** (includes subdivisions for a topic)
- Try a **specific occupation** as a **Subject** search.
- Or try '**occupations**' and note **Subdivisions** and **Related Subjects**.
 - Click [More search options](#) to retrieve full text articles, to combine terms, or to search specific date ranges.

Also check the Career books in the YA (Young Adult) section of the library.
